Ref: My letter 02nd July 2005 with regards to Lt E G Kennell & Lt.Cdr K A Ferguson (deceased) Vietnam Service;
and previous correspondence on this matter.

Dear Mr Pearce

Thankyou for your letter of the 05th of July in response to the above. I write to you again as it has been over seven (7) weeks since your last reply, and while I realise you have a busy schedule, could you please follow up this matter with the Minister concerned. Even an acknowledgement from the Minister's office, to you, signifying that the issue is at least under review, would be very much appreciated.

I am fielding many enquiries regarding this matter from former members of the RAN, as they see this, as I do, as a matter of honour. Please advise me of any progress at your earliest convenience.

Regards

Dr. John R Carroll PhD EdD MAPsS
